5 bedroom villa Calpe

€850,000

📍 Calpe, Alicante, Valencia

150 years of history, charm and freedom with a view that never disappears

Welcome to Casa Roca, a unique finca from around 1875, lovingly restored by an architect with an eye for authenticity and comfort. As soon as the gravel crunches under your tires and three stately cypresses greet you, you feel it: this is not a house. This is an experience.

In the middle of the greenery of Calpe - in one of the most idyllic and quiet places - you will find this special property full of character. With an unobstructed view of the impressive Bernia thanks to a protected green strip, you are always
